Part 4: Knowing God

Sunday, Oct. 11, 2015

DISCUSSION

What would you tell somebody if they asked you, "How do you know God exists?"

How do *you* get to "know" God?

What difference does knowing God make in your life?

INTO THE BIBLE

What does Mt. 7:11 say about the parenting ability of God the Father?

What effect does this verse have on your relationship with God the Father?

Read Phil. 2:5-8. What does it mean that Jesus Christ is fully God and fully man? How does that hinder you or help you relate to Him? Why is this such an important part of the gospel?

What do you make of Eph. 5:18? Does it mean we shouldn't drink alcohol? Does it mean we're o.k. to drink alcohol – just don't get hammered? Or does it mean something else?

APPLICATION

What bible stories or promises give you insight into the character or personality of God? Have you experienced God in these same ways?

What did that look like in your life? Is it hard to find God in your story and vice-versa? Why might that be? Is there anything you might do to practice "spotting" your experiences of God?
