Association of Cooperative Educators June 1st, 2016 at 6:00 pm St. David's United Church

JOIN...About 100 scholars , economic developers, community and faith healers for a meeting at St. David's United Church to learn more about best practices for renewable energy.

"Community-organized renewable energy is considered economically positive as well as socially necessary," says Tarhan who is completing his PhD at the University of Toronto. The research project is a joint venture of York University and TREC Renewable Energy Co-operative in Toronto, and is funded by the Social Sciences and Humanities Research Council of Canada (SSHRC).

This reception is free and open to the broader Calgary community.

National Aboriginal Day

June 21, 2016, marks the 20th Anniversary of National Aboriginal Day. This is an opportunity for all Canadians to celebrate the unique heritage, diverse cultures, and outstanding achievements of First Nations, Inuit, and Métis peoples in Canada.

Communities of faith are encouraged to set aside **Sunday, June 19**, to take part in this celebration. Please join us on the 19th for our First Nation's Sunday celebration with guests Yvonne Jobin, Clarence Wolfleg, and Dorothy Walker.

The Foundation is looking for two good folks to join the committee.

Short, flexible meetings with coffee and muffins usually 5 to 6 times per year. We have a special need for a treasurer or person with bookkeeping and/or financial background. This position would have training and ongoing support as needed. Please consider joining this fun and worthwhile committee.
