Affirm United Conference

As I believe you already know this years Affirm United Conference is going to be hosted by Hillhurst United Church here in Calgary. The conference date is July 26-28, 2019.

I would like to ask our congregation if there are people that would be willing and able to open their homes to offer conference attendants from outside of Calgary a free place to stay during the conference.

More discussion will certainly follow with any interested parties to include more details about the needs of those looking for accommodation along with any concerns or more specific questions from interested people.

visualization while listening to soothing music.*

The St David's United Church Foundation Committee is looking for a couple of new members. The committee meets for 5 to 6 short meetings a year and can be held to fit the members' schedules.

If you are curious or interested please contact Janet Frohlich (jjjfrohlich@yahoo.ca) or Bill Dickson (rw.dickson@shaw.ca). Financial skills are an asset but not the only skills needed therefore feel free to give us a call to discuss. We are a supportive group for learning. It is a great opportunity to provide support to SDUC and the community in meaningful ways.
