The Scarlet Pimpernel

It is a bleak time in the course of history - the French Revolution and the guillotine are wreaking havoc in France. Fortunately, when situations are at their worst, there are always individuals who rise to the occasion and bravely seek to help others. In this case, these individuals make up the daring *League of the Scarlet Pimpernel*, a league that snatches people from the jaws of death and carries them away to England's safe shores. But who is the elusive leader of the league and what prompted this person to risk life and limb in search of liberty and justice for others? Find out by attending *The Chameleon Drama Club's* production of *The Scarlet Pimpernel* on **November 18th** following the church service and a light lunch. Be prepared for romance, comedy, and adventure!
