## **PRAYER SHAWL MINISTRY**

The Prayer Shawl Ministry team create beautiful shawls, scarves and blankets for those who are celebrating baptisms, confirmation or who are struggling with health or other issues. Once they are completed each shawl, scarf and blanket are blessed by the team and a minister.

This compassionate hospitality is a wonderful way to show others that the St. David's congregation is thinking about them and care about them.

If you know of someone who may benefit from receiving a prayer shawl you will find a few at the back of the church along with a card that can be given. We gratefully and gracefully accept wool or monetary donations to help support the Prayer Shawl ministry. Thank you for participating in this important ministry.

For more information contact Kelley Warner.
