Our refugee Abid Yalda (here since August 30) is seeking work. Beyond doing odd jobs for individuals, this is an appeal to you, if you happen to know of a job that is vacant for a longer period. Abid is willing to 'do anything'- snow removal, maintenance (he is proficient in electrical, some plumbing work and fixing machines), waste disposal, construction etc. He is a friendly, cheerful person and would add much to any team. Please let Sally Hodges know, if you have a question or a lead. Phone: 403-247-1653. Thank you.
