

Testimonials

“ This seminar was fantastic! We are going home a changed couple! Learned so much and gained many new insights in a non-threatening setting.

Where was this much needed course 25 years ago? This would have helped us enormously – however, you are never too old to learn and change. Would highly recommend this seminar to couples of any age, especially engaged couples!

“ Really enjoyed the very tasteful, Biblically based and practical presentation of a important subject. The sessions were frank, down-to-earth, genuine, humorous and very informative. These presenters were real ordinary people! We could relate to them.

We didn't have any teaching in this area before marriage -- we sure should have! The tools learned at this seminar would have saved us a lot of hassles and headaches! Extremely helpful content, loved the audio visuals, video Clips, the laughter!!!
