

The background of the poster is a photograph of a dirt road stretching from the bottom center towards the horizon. The road is flanked by green grass and yellow wildflowers. In the distance, a cross is visible on the horizon line, silhouetted against a bright, hazy sky with warm orange and yellow tones, suggesting a sunset or sunrise.

There are so many people to say **thank-you** to. May God bless you all for your willingness to serve Him this Easter weekend.

And **thank-you** to all who have joined us. May you be refreshed in God this Easter season and experience His wonderful presence each and every day.

~ Rose Hodges, Choir Director

There were many roads that led to Easter: a palm-lined street, a long dirt road up to Calvary, and finally a passageway that led from a garden tomb into a morning that would light the entire world. Jesus walked them all in submission and obedience, knowing that each path led Him closer to the fulfillment of His Father's plan of redemption for humankind.

This Easter, we invite you to reflect on the journey Christ took to give us freedom and unending grace. We pray as you hear these songs of victory you accept the call to pick up your cross daily and follow Him. May the story of Easter come alive in your heart as you encounter His great love and power over the grave.

All welcome to join us each Sunday Morning:
