James 2:1-13 – Value Scale

- It's our sinful nature to judge people as more or less valuable than others.
 - The Bible makes it clear that this is not something a follower of Christ should do (Jam 2:1).
 - Why should we not show favouritism?
 - Our value system is essentially broken (Jam 2:2-7).
 - It is sin (Jam 2:8-13).
 - In the Old Testament law, it was condemned (Lev 19:15). God shows no favouritism or partiality (Rom 2:11). Jesus never showed favouritism or partiality (Luke 20:21). The church was meant to show no favouritism or partiality (Col 3:11).
 - It violates the image of God.
 - It is judgment.
- Only when we experience the truth that God values us all equally, can we ever hope to value everyone equally.
 - We are so valued by God that he died for each of us.
 - If a person is worthy of God's sacrifice, then they are worthy of ours.
