## Welcome!

We are so glad you are joining us this morning. We would love to greet you personally at our Welcome Table. Please pick up an information sheet about our various ministries or visit our website.

We love kids! Let us spend time with them in a safe, friendly environment while you enjoy the service. Before the service nursery is available for newborn to age 2 and Kids Connecting Jr for age 2-3. Age 4 to grade 6 begin in the service with their parents, then part way through the service, kids and leaders go downstairs for their own Kids Connecting time.

**Connect – Privacy or Intimacy**

- Intimacy is foundational to deep and meaningful relationship.
  - We all long for intimacy in our lives because we were created in the image of an intimate God.
- Yet we covet our privacy.
  - Our level of intimacy is subordinate to our level of privacy. The more privacy you have the less intimacy you will have.
  - We keep things private because they are rotten and we are afraid of how God and others might reject us if we bring it before them (John 3:16-21).
- The truth about our God is that he sent his one and only Son to save us and not to condemn us.
  - If you truly believe that God laid Himself bare on the cross for you then you will not hesitate to lay your life bare at the foot of the cross.
  - When you do this, your darkness is transformed into light and you are set free.
- When we shed our privacy we are finally able to have intimate relationships like we desire, both with God and others. (1 John 1:5-7).
- **“In what ways have you been too private in your life? How might you be able to open up to create more intimacy with others?”**
