Welcome!

We are so glad you are joining us this morning. We would love to greet you personally at our Welcome Table. Please pick up an information sheet about our various ministries or visit our website: www.spfamilychurch.ca.

THE FAMILY ROOM is available for parents of children who need a temporary space away during the service yet close enough to easily slip back in. The room is located on the drum-side overflow at the back of the upper auditorium. Please feel free to check it out.

Messy: Joining God in the Mess

We Made This Mess

- Have you ever been confronted with the enormity of the mess of this world and didn't know where to start?
- The Bible actually explains how this whole mess came about, it gives us a place to start, and provides hope for a better future.
- God created a paradise of perfect order but we made a mess of it (Gen 2:4-10).
- In the end, God will restore this mess into perfect order (Rev 22:1-5).
- What do we do while we wait?
 - We help clean up the mess
 - Jesus came to show us the way and passes the job onto us (Mat 24:42-51)
- Why should we bother to clean up now if it's going to be restored someday?
 - What we do now matters for eternity.
 - Everything sad is going to come untrue and it will somehow be greater for having once been broken and lost.
 - The more we strive to clean it up, the greater our appreciation for when it is.
