**DIRECTORY:** The mission of Sheridan Park Family Church is "Connecting Young Families to Christ". It is the intent of leadership to always be on the lookout for new ways to achieve this mission in the current culture, community and church environment. Young families today (and even those of us who do not necessarily feel we fit into this demographic) are tech savvy and tech reliant. Few travel anywhere without their smart phone or tablet. SPFC has the ability to foster connections among those who gather here safely through our website. If you have given permission for your contact information to be available in the printed directory, you will also be able to receive a safe password for access to the SPFC on-line directory. Here you will be able to log in with a password to the members' (regular attenders) secure site and on-line directory. With this new opportunity, and to be good stewards of our financial resources, a limited number of printed phone directories will be produced this year. If you would prefer a printed copy, please make your request known to the church office by email. To receive your personal log in password to enable you access to the on-line directory and members' (regular attenders) page, please contact the church office.

If you prefer others not connect with you in this way, please contact the church office to be removed from the on-line directory.

Questions may be directed to the church office staff.

Sermon Summary: Feb 17, 2019

## **The Larger Christian Life:**

### **Being Spirit-filled**

- “The Larger Christian Life” is sort of a catchall term that describes a rich and sincere relationship with God.
- The average Christian life is not the normal Christian life that is described in the New Testament.
  - We may not experience the larger Christian life but we know it is true from scripture and other people.
- Some people never experience the larger Christian life because they simply stop trying for it.
  - Like anything organic, if our relationship with God ceases to grow it begins to dies.
- We need the help of the Holy Spirit.
  - The Holy Spirit is “God in us.”
- The problem is that our lives are already too full with “self” to receive any more of the Holy Spirit.
  - “If you try to hang on to your life, you will lose it. But if you give up your life for my sake, you will save it.” (Matthew 16:25)
  - We can only be filled with God if we make room for Him.
