
Excursion and Transportation Consent

(Required Form)

Child Care Regulation 36(2)(f) requires every licensee keep a record with respect to each child attending the facility that includes any authorization provided by the child's parent for i) an excursion not involving transportation and (ii) an excursion involving transportation. In accordance with subsection 54(8), a risk assessment must be conducted by the licensee before any excursion. Excursions where natural or other hazards exist will also require completion of Special Excursion Consent Form.
