

June, 2018

Hi Family & Friends,

Hope all is well with you.

Here is a quick Bueckert/ YWAM Hockey update.

NE ASIA

Glen is preparing for another hockey outreach to NE Asia in July. I was invited by one of the coaches who we have worked with since 2009 to come and do a summer hockey camp. My friend Mark, an American living in NE Asia, will be with me again. I value his friendship and commitment to YWAM Hockey and our vision. Mark has worked with us for most of our trips over the past 10 years. He has a great sense of humour and is a peach of a guy!

Also on this trip, my long time friend from Vancouver Island, Colin, will be joining me. He is a goalie instructor and I am thrilled he finally took me up on my invitation to join one of our hockey outreaches.

HOCKEY DTS

I'm excited to announce that we will be doing the YWAM Hockey DTS starting Sept. 25th! The 3-month lecture phase will be here in Vancouver and the 2-month outreach will be in Russia.

Currently we have 5 students and 1 young man coming as staff. We still have room for 2 goalies and more players, as well as 1 more staff.

Here is one of the notes we have received about YWAM Hockey in Russia:

Andy Frecka, Director of YWAM Russia, says, "YWAM Hockey's ministry in Russia has upheld not only an outstanding standard of excellence, but also a Godly example of love & concern for the young men & women on the outreach teams. I have been privileged to witness how God uses Glen & Lorrain and their love of hockey to bring change both to their young DTS students and also our nation."

FAMILY UPDATE:

This is the last week for Lorrain as a Grade2/3 teacher at Lord Byng Elementary School in Richmond before summer. She is looking forward to the summer break. But...guess what? She is also working through *another* UBC online course in July!

Our oldest son Jesse returned home just over a week ago, from his scuba dive instructor's job in Grand Turk. Jesse is taking a bit of time to rest and visit friends & family.

Nick, his wife Lizzy, and our two grandsons, Jake (4) and Ollie (2), are enjoying life in Victoria.

Have a great summer!
God bless!
