Hello once again from the
Naknakim Family!

Thank you so much for your support. We are so blessed by the continuous support you have for the ministry here in Campbell River.

It is a New Year and the last year saw many victories and trials. We are indeed energized by the following promise:

Romans 5:3-5

“Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not put us to shame, because God’s love has been poured out into our hearts through the Holy Spirit, who has been given to us.”

We have continued to be committed in the areas of:

- Funerals
- Bible studies
- Prayer with those in need
- Recreation for Adults and Youth
- Fellowship with other believers in services and meals

We would like to mention how our outreaches in recreation to families and adults in hockey and soccer have built great relationships within

the community. The program has created relationships that have been building relationships for answers to many of life's questions in speaking while at the gym and also newly planned bible studies. These programs continue to grow and have led us to help our friends as references and engage in sharing times for spiritual gospel related issues.

There has been much death and sadness because of drugs and illnesses in our communities but we want to proclaim hope through spoken word, songs and action in our lives.

We have future plans to pull together our established relationships with other native believers and friends around the province. We have many long time friendships though bible camps and churches. We have been blessed to be able to fellowship and praise God together.

Please pray for us as we share the gospel through worship in bible studies, funerals, services and online. Please keep our communities in Campbell River and Northern Vancouver Island in prayer, as there have been many losses in different families in the last year. There has been a lot of pain from grief therefore we ask for prayers of healing (Jeremiah 30:17).

We see new avenues for outreach we pray the Lord guides our each step in these plans.

God bless,

Brody, Alison and
Family
