Camp Homewood Update

The Gole Family

Hello! The sun is shining and the birds are out, you can smell fresh cut grass and hear the kids playing and having a great time...our Spring season of School groups coming for a day or a week to Homewood is in full swing! We have seen hundreds of students and adult chaperones come over the last month and more to join us in our final weeks of the spring.

We have had a small but mighty group of spring volunteers helping make it all happen. From teaching archery and riflery to taking the students canoeing or going on field trips to Rebecca Spit and other beautiful spots on Quadra—it has been a full but exciting time. One of the benefits of our outdoor season is that we see many students return for a full week of Homewood summer camps!

We are in the preparation for summer and recruitment in big on that list. With all of our camps filling up (which is great!) we are in GREAT need of summer staff—especially tent leaders. If you know of someone who is 17 years and older, loves Jesus and also kids...we have a great spot for them! Please help us recruit by spreading the word and encouraging young adults to join our team.

If you would join us in praying for our summer team that is coming—for health, friendships, a deeper walk with Jesus and that they would have opportunity to lead many kids to Jesus and that they would experience joy and fulfillment while working long days and sometimes challenging situations. Thank you!

PRAYER ITEMS:

- Summer Staff—especially leaders in tents with campers
- Projects to complete
- Financial needs of the camp and families
- Hundreds of campers coming to hear about Jesus and have fun
- Safety with the events and programming
- God's wisdom in raising 3 teenage boys

Some Family news— we have moved to Campbell River! Aaron is now commuting to Quadra, it has been a good change for the family, with the busyness that the teenage years bring. We are well and are very thankful for your prayers and financial support. We are dependant on God to put it on peoples hearts to support us. He has been faithful for the past 12 years and are trusting to the future. Thank you for being a part of the ministry. Love Aaron, Julie, Jake, Oli, Charlie.
