

Camp Homewood Update The Gole Family

Hello CRBC Missions,

Family news: UPDATE on our transition from Camp Homewood.

Over the past number of months Aaron has been in the process of applying, having interviews, etc. for a job as a Telecommunications Officer with the RCMP. This is a 911 dispatcher/call taker position located at the Courtney detachment.

Aaron recently found out he was hired, which is exciting for our family and helps bring clarity and closure to his present position at Homewood and begin to transition into a new career path.

Aaron will be working at camp Homewood till mid-March; with his last day being March 12, 2020.

Homewood is in good hands with Paul & Heather Bailey's leadership; many great things are happening around camp!

We have enjoyed our time and thank you so much for supporting us in prayer and financially over the past 13 years. God is faithful and has provided for us in many ways! If you would continue to do so through the next couple of months, it would be much appreciated!

We very much appreciate CRBC's support over our time at Homewood! Thank you for caring for us in this way.

After March 2020 we will not require financial support.

Thank you again! Love the Aaron, Julie, Jacob, Oliver and Charlie Gole
