Sermon: Wives, Submit to Your Own Husbands

Text: Ephesians 5:22-24, 33b

Introduction

I. What Submission is NOT

II. What Submission IS

Conclusion

[illegible]

1. Wives, do you recognize that the order of marriage and family is divinely instituted and must be obeyed? In what ways do you struggle in your submission to your husband? Why do you struggle in these ways?
2. Wives, do you submit to your husbands grudgingly, because you 'have to because the Bible says so'? Or do you seek to do so willingly, gladly, lovingly and for his benefit? How can you make sure you do so in the latter way?
3. Wives, do you acknowledge, follow and respect your husband's spiritual leadership of the home? How can you do so in the future? What would this look like?

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.
