Going Deener

- 1. Sin is a problem for each one of us. Read Romans 1:18-32. How have you exchanged the truth of God for a lie? How have you exchanged worship of God with worship of self? How have you exchanged the seeking of God's glory in your life with the seeking of your own? Without mortifying the sin that plagues us there is no chance to be healed from any sin.
- 2. Praise God Romans 1:18-32 does not have to be the final word. Praise God that he has won the victory over sin on the cross! Read Romans 6 and 7. What do these chapters teach you about your sin, Christ's victory over it, and how you must mortify sin in your life? Read Romans 8. What does this chapter teach you about how you can find life in Christ? How should all three of these chapters work themselves out in your life?

Cornerstone Bible Church is committed to reaching out in love and truth to all people. We will never turn away anyone who contends Biblically against their own sexual temptation and we will seek to assist everyone in their battle to do so.
