FREE TO A GOOD HOME

We are looking for a good home for the two Ficus
trees in the sanctuary. The trees are around 50
years old and would do well in a large space with
bright, indirect sunlight, away from cold drafts.

They enjoy high humidity and require regular
fertilizing once a month in the spring and summer
and once every two months in the fall and winter.

The trees are free to a good home. Please contact
Joanne Dzurka at 403-938-3945 if you are interested.

Why Not Take Your Worship Bulletin and Announcements Home....

and pray the prayers in it every day the next week,
read the scripture again, read through the words
of the hymns? Discover what God is saying to
you through the words and activities
we share as a community.
