PRIDE IN THE PARK

This summer, on **Saturday, August 26th**, Okotoks will see its first PRIDE event at Ethel Tucker Park. It will be a celebration of the LGBTQ folks in our community. We would like to have a presence at this event. If you have a desire to participate in representing the United Church and helping to determine what we could do to support it, please email Julia at okjulia@telus.net. We will then meet to consider what we might do.
