THINKING THINGS THROUGH

1. When you hear the word "worship," what comes to mind?

Do we worship God just because of what He has done for us or because of who He is? Explain.

2. In our society, what or whom do people worship instead of God?

While we might not consider it worship, in the current global crisis, where are people drawn to place their hope and trust?

5. What titles were used to describe Jesus in this passage?

How do these titles point to God's faithfulness to His promises throughout history?

How should we respond likewise?
