1. God is in charge of ALL that is going on in our world. This is not always evident to us, but it is still very true. How does God's comprehensive sovereignty encourage and challenge you? How does it impact your decision making, prayer life, your understanding of the sinfulness we see around us and how you deal with the inevitable negative moments in life?
2. How well do you know the gospel? Can you articulate it clearly; in 30 seconds or less? Do you understand its implications for your life as a believer? Do you understand how the gospel shapes your obedience? If your answers to these questions are shaky, please contact one of the pastors or elders to receive some life-changing clarification and encouragement.
3. Is Jesus alone your King? Do you follow him with "all your heart, soul, mind and strength? Is there a part of your life that you have not submitted to him? What does a life lived in full submission to the lordship of Christ look like? What do you need to do to give Christ his rightful place in your life?
