PATHWAY OF DISCIPLESHIP CLASSES

John 8:31-32

Jesus said, "If you hold to my teaching, you are really my disciples. Then you will know the truth, and the truth will set you free."

Pathway Of Discipleship Classes

POD 101 - This class happens at least twice yearly and is a basic understanding from biblical teaching about the local church and its mission, a history of our Christian & Missionary Alliance family of churches and doctrinal statement of faith as well as an opportunity to become a partner-member of Hinton Alliance Church.

POD 201 - This class studies ways to develop key spiritual habits or disciplines to enhance and enable us to grow in our faith through good habits such as bible study, growth group involvement, tithing and giving, and personal and corporate prayer.

POD 301 - This is a study on the person of the Holy Spirit and his role in the life of Jesus and his disciples. The class seeks to connect the dots and draw clear parallels between the Holy Spirit's ministry in New Testament times through to today in and through the lives his disciples.

POD 401 - This study is based on the teachings of the New Testament about the fruit of the Holy Spirit and the passages that list the gifts of the Holy Spirit. It then seeks to encourage each person to seek out areas of ministry that can be explored in order to exercise the use of their gift or gifts today.

POD 501 - This series last class, encourages every disciple to become disciplemakers. This class looks at the ultimate objective of each disciple of Jesus to become holy, mature and competent in our abilities to freely pass along to others all that God has freely given to them. We are seeking to make disciples committed and able to reproduce their faith in their generation as well as the next one. This class calls us to invest in our hearts and souls in order to have a fruitful and impactful outward flowing life.
