We are partnered with **Food for the Hungry (FH)** in a development project in the Sasiga area of Ethiopia. FH works with churches, leaders and families to better health, supply clean water, create agricultural and economic options, provide education for all, empower women, care for a fragile environment and aim for sustainability after a decade. Find a copy of the mid-year report at the Connect Desk or at lambrick.com.

### BY THE SPIRIT

50 years ago, J.I. Packer, a wise Christian theologian, stated in his book *Knowing God*, "The average Christian is in a complete fog as to what work the Holy Spirit does."

Although the ministry of the Spirit is widely sought and celebrated in some parts these days, Packer's conclusion is often still too true. This is startling in the light of the simple reality that the Christian life – life in Jesus – is, fundamentally, a life lived by the Spirit.

With this in mind, we will spend the coming season exploring together the person, passion and ministry of the Holy Spirit, not just for the sake of being informed, but so that we might truly honour, cooperate with and live by the Spirit.

This Sunday we will explore together one of the most obvious, yet often missed, works of the Spirit - growth in holiness.

## KIDS MINISTRY

Upon arriving, please check your kids in at our check-in station by the main doors. Children stay with their parents in the service until their programs begin.

Kidcare	(ages 0-2 yrs)	Room 115
Jr. Kids	(ages 3-4 yrs)	Room 112
Kids	(K-Gr. 5)	Begin in the Café, end downstairs Youth Room
APEX	(Gr 6-8)	

If you'd prefer to keep your little one with you and need a quiet place there is a staycare room in the office lounge.

## PRAYER MATTERS

Today we pray for **Kelly Johnson-Gahaya** and her counselling ministry **-Live Again Rwanda-** particularly during this time of transition in leadership and new staff.

We give thanks for the successful start of the new counselling class, which is the first class to be held in their new office location. Additionally, for the two-year contract to teach mental health awareness workshops to staff and students in an international university in Kigali, which is an incredible opportunity to network and educate as well as a source of additional income.

We join Kelly in trusting God for finances to meet the monthly bills and salaries during the summer months when the client base decreases due to school being out and people travelling on holidays.
