LIFE WITH GOD FOR THE WORLD

## Living psalm

T W E N T Y   T H R E E

Many of us know Psalm 23 well. But God's desire is that we would live this Psalm - that we would know and experience our lives in the intimate care and unceasing work of God, our Good Shepherd.

As Francis Chan notes, *"God doesn't call us to be comfortable. He calls us to trust Him so completely that we are unafraid to put ourselves in situations where we will be in trouble if He doesn't come through."* **Today we are pleased to welcome Erica Pepevnek who will be exploring with us the comfort that God, our Good Shepherd, offers us, his sheep, in the midst of whatever situations we find ourselves.**

## Prayer Matters

Today we pray for **Ashaloy Centre**, a facility run by **Mahima Homes** that provides ministry and care for women and children living in the red light district in Kolkata.

Last year during Lambrick's Advent Giving Project, we raised over \$20,000 toward the purchase and renovation of a building to be a permanent home for the Ashaloy Centre. We are so thankful for reports that much progress has been made to date. The building is aging but during renovations, the centre has remained open. The new facility is safe, accessible and we are thankful that already there are more women and children attending the programs. Once renovations complete in September, there will be even more room to offer expanded vocational training for the women and girls, and more accommodation for children.

Please pray for patience and wisdom for the staff during this time of transition. Also pray for the many who come to the Centre in need of rest for body and spirit; may these needs be met with loving practicality, and the gentle transforming grace of our Saviour.
