LIFE WITH GOD FOR THE WORLD

## Living psalm

T W E N T Y   T H R E E

Many of us know Psalm 23 well. But God's desire is that we would live this Psalm - that we would know and experience our lives in the intimate care and unceasing work of God, who is our Good Shepherd. And to experience this in the midst of all that life brings - in seasons of want and conflict, in the throes of confusing decisions and feeling lost, in the darkest valleys and in the face of enemies. These are the places where the Shepherd dwells and works - in grace and love.

**This week we are excited to have Janet Anderson bring us our message:**

*In the Valley with a Good Shepherd*

## Prayer Matters

We are almost half way through Summer Camp season and today we pray for the many camps presenting the gospel to children and families across our province and country, but particularly for our own **Camp Imadene**.

We join them in praise for the staff and volunteers who make camp possible, and especially the many cabin leaders. We pray for the few cabin leaders still needed for the last weeks of camp. We also pray for the staff who have been going full speed for four weeks - that they will have God's strength for the remaining weeks. We pray for a continued safe and healthy camp and God's wisdom as they make decisions about boat driving, water activities and games.

To date this summer, Camp Imadene has handed out 88 Bibles, has had 100 campers indicate that they accepted Christ for the first time and many campers express a desire to go deeper with God. God is at work at Camp!
